

STEPHANIE APPEL

Registered Landscape Architect
Graphic Designer

WORK EXPERIENCES

MARKETING DESIGNER 2013-current
JLL

Design digital and print marketing collateral, in a fast paced environment, working with real estate investment trusts from conception to completion for top grossing statewide real estate investment sales team (2017 transaction volume: \$912m)

LANDSCAPE ARCHITECT 2010-current
APPLE LANDSCAPE DESIGN, LLC

Creating unique residential and commercial designs, working with nurseries, contractors, home builders, architects and home owners via an individualized design process thus allowing for emphasis on quality landscapes that are environmentally responsive

PROJECT DESIGNER I,II 2008-2010
MSI DESIGN

Small studio setting in a midsize firm, responsible for creating construction document packages, conceptual site plans for large entertainment and hospitality projects including EPCOT's Mexican Cantina, Disney's Castaway Cay, Universal Studios Korea, and Ferrari World

PROJECT MANAGER 2006-2007
MSCW

Conducted site planning and large scale land planning for multiple DRI's on a landscape architecture team within a multidisciplinary engineering firm; special projects included researching, writing and illustrating Jacksonville's form based commercial urban design guidelines.

PERSONAL STATEMENT

Dedicated, detail oriented, creative, landscape architect focused on encouraging the balance of beauty and function in the built environment. Responsive to environmental and human factors while capitalizing on a strong horticultural knowledge, my design process is customized to unique variables resulting in a clear communication of design intent and places that thrive. Other interests include conservation, photography and environmental psychology.

EDUCATION

MASTER'S DEGREE IN LANDSCAPE ARCHITECTURE 2003-2006
